Professional Summary

BCA graduate with hands-on experience in Python, SQL, Power BI, and data analytics through internships in data management, cloud computing, and web development. Skilled in data cleaning, analysis, visualization, and database management. Seeking an opportunity to apply analytical and technical skills to support data-driven business decision-making while continuously learning and growing.

Education

Bachelor of Computer Application (BCA), Jain Deemed To Be University (2022 - 2025)
CGPA : 8.41

Work Experience

Data Management – Master Agency (FMCG)
- Cleaned, validated, and standardized large FMCG sales and billing datasets using MS Excel to improve data accuracy and reporting reliability.
- Prepared daily and monthly MIS reports for internal stakeholders using Excel and SQL, enabling data driven decision making and business reporting.

Cloud Computing Intern – CloudThat Technologies
- Gained hands-on exposure to cloud computing fundamentals including IaaS, PaaS, and SaaS, along with basic deployment and architecture concepts.

Web Development Intern – Cognifyz Technologies
- Developed responsive web pages using HTML, CSS, and JavaScript
- Implemented basic UI layouts and client side functionality.

Projects

Restaurant Order Management Database (MySQL)
- Designed and implemented a normalized MySQL database for restaurant order management, including tables, relationships, and optimized SQL queries.

E-Commerce Data Analysis (PySpark)
- Analyzed 1M+ e-commerce transactions using PySpark, achieving performance improvements of up to 5x compared to Pandas.

Technical Skills

- **Programming Languages:** Python, SQL
- **Data & Analytics:** Power BI, Tableau, MS Excel (Advanced: Pivot Tables, XLOOKUP) Pandas, NumPy, Matplotlib, Seaborn
- **Databases:** MySQL, DBMS
- **Tools:** Git, GitHub, Jupyter Notebook, MySQL Workbench
- **Web Basics:** HTML, CSS, JavaScript
- **Foundational Concepts:** Artificial Intelligence (AI), Cloud Computing, Mobile Computing

Self-Directed Learning

Completed the #100DaysOfCode challenge and consistently shared progress on LinkedIn, strengthening problem solving and coding skills.

Interpersonal Skills

Teamwork │ Analytical Thinking │ Time Management │ Adaptability │ Attention to Detail
